AJIT YADAV

Junior Software Engineer

📞 +91 8928215342   @ ajityadav.dev@gmail.com   ⭘ Github   Leetcode

CAREER OBJECTIVE

- Recently completed my graduation with Bachelor's degree in Information Technology (2024) and Completed internships focusing on problem-solving, data structures, algorithms, and research.
- Proficient in Python and JavaScript with their frameworks.
- Currently learning DevOps and expanding my skills in cloud security
- Core team member at @**BrowserStack Community Leader** and Contributing to open-source
- Certified Network Security Practitioner **& JPMorgan** Virtual Internship Experience
- ManageEngine Certified Product Associate (**MECPA**), Cybersecurity IAM from ManageEngine/Zoho

SKILLS & TOOLS WORKED ON

- Python, Problem Solving Data Structure & Algorithm, Databases (SQL, MongoDB), Microservices
- React.js(Redux), TypeScript, Node.js, TailwindCSS JavaScript, Rest API(JSON & YML)
- RAG, LLM Model, CI/CD Pipeline - Kubernetes, Docker, and containerization
- VSCode, Postman, Git, Linux
- Code Review, Agile Methodology, Leadership and Project Management, test automation

EXPERIENCE

1 – Zidio Development
📅 *1 Month - 2024 (FEB - MAR)*

Intern in Web Development - Remote (India Based)
Role and Responsibilities:
- Reactjs, Tailwind CSS, Figma, API

2 – GAOTek Inc.
📅 *8 Month - 2024 (MAR - SEP)*

Intern in Full stack developer - Remote (New York based)
Role and Responsibilities:
- Reactjs, Nodejs, HTML, CSS, JS

3 – Outlier AI
📅 *Ongoing*

AI Training Engineer Expert - Remote (USA based)
Role and Responsibilities: LLM Model, Python, Code Review and Analysis. Problem-Solving

EDUCATION

BS – Information Technology, CS
2021 – 2024
University of Mumbai - GSCC
Overall - 8.30 CPI

Licenses & certifications

- ManageEngine Certified Product Associate(MECPA)
  EventLog Analyzer   - Cybersecurity, IRM, IAM   *From **MangeEngine***
- HackerRank - **JavaScript** basics to advance & **React.js**   *From **HackerRank***
- **JPMorgan Chase & Co. Cybersecurity Simulation – Virtual Internship**   *From **JPMorgan***
- **CNSP** - Certified Network Security Practitioner   *From **SecOPS***
- **Oracle Cloud Infrastructure Certified** - Gen AI, Vector Database, Model   *From **Oracle***
- **POSTMAN API Certification** - API Testing   *From **Postman***

PROJECTS & WORKING

- Log Ingestor System
- Data Visualization Plugin
- Sorting Visualizer
- Flowchart AI Model

HACKTHONS

- AI Amplifier
- MumbaiHacks
- EthMumbai
- Coding Ninja Contests
- Leetcode contests

PROBLEM SOLVING

- LeetCode: 100+ problems
- HackerRank: 5 Star (Python)
- CodeChef: 2 Star
- Codeforces: 2 Star
